## Prayer Request

### Mark Briggs

Recovering from a bicycle accident (broken thumb) please pray for a quick recovery.

### Jo Richmond

Is in Melbourne as her sister is very sick. Please pray for the family.

### Ross Picard

His father in law is in hospital with complications from cancer surgery, please pray for Ross and the family.

### Owen & Sarah Ames (Japan)

Pray for the Matsubaen orphanage training afternoon on Feb 12th.

Pray for health and energy for the team. Running a café 6 days a week, a church Sundays, and their other outreaches which can take it's toll. Pray for strength.

The elders would like to thank Rhonda for the excellent job she did looking after the church's finances. It was a difficult time for both her and Mike.

Mike is still going through the red tape of council regulations trying to finalize the sale of his business and Rhonda is still recovering from major surgery. Thanks to you both for all you did.

We would like to introduce to you Brad Richmond. We approached him to take on the role that Rhonda did. Brad has been in finances one way or another all his working life and at present he is the financial adviser to one of the vineyards in McLaren Vale. Having arrived back from an extended trip around Australia both Brad and Jo have got involved in church life. Their whole family were involved in Woody's and the Christmas outreach. Jo has joined the music team. We commend Brad to your prayer as he takes on this responsibility.

Just a reminder the pastors have a day off each week, as most weekends they are involved in their ministry. Tuesday is Chris's day off and Wednesday is Harry's. We ask that you respect this. If you have need to talk to one of the pastors on any day then please be sure it is not their day off.

**Sabine & Steve Williams** have a new telephone number. Please note your records accordingly: 8325 3718
