Today's Bible Verse:

Jeremiah 29:11

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."

Today's Inspiring Thought: A Future and a Hope

Jeremiah prophesied these words of the Lord to the people of Israel at a time when their future looked desolate; they were facing 70 years in exile. But, it was all part of God's plan. Captivity would cause them to repent and return to wholehearted worship of the Lord. You may not always understand what God is doing in your life, especially when your future seems bleak, but you can trust that God's Word is true. He is working out a plan for you, and it includes a bright hope for your future.

How can salvation involve real human choice when God has already made a sovereign choice? By John MacArthur

The sovereignty of God produces an effect through a means. And, the **activating of the human will** is the means. God evangelizes the world through the means of sending us to every creature. We become the means by which the Lord reaches the elect. And, there is a means by which God saves, and it is through faith, and that **faith is an act of the human will**--not apart from the power of God--but by means of the power of God.

Can you give some of your time to keep your church and its outreach ticking over? Here is a list of needs that people are required for.

Bread Co-ordinator :

Organising the opening and closing of the church on Saturday at 5:15 pm and 6:15 pm respectively. Oversee the bread pick-up rosters for Saturday and Sunday pick-ups.

Bread collectors :

To go on a roster to collect bread from Hallett Cove or Happy Valley Baker's Delight, Saturday or Sunday at 4:45 pm – 5:30 pm.

Communion :

We need a person who will replenish supplies of disposable cups and juice as required. Who will put out and clear away after communion.

Are you in a small group? :

There are a number of small groups that operate throughout the week. If you would like to join a small group, please see Steve Wratt.

Harry has been asked to start a group during the day to study the book of Revelation which his Tuesday night group are already studying. If you would like to attend, please let him know as soon as possible so that a day and starting date can be made.

Internship :

If you are a leader, then Internship is where you can get help and encouragement. At the moment, it is on four times a year on a Saturday afternoon. If you are a leader and haven't as yet come along, then make it a point to come to the next one on August 7th at 1:30 pm.

Deacons needed :

We currently have one deacon. The work of a deacon is to help run the ministry of the church by supporting the Elders in their role as teachers and by serving the body in more of a physical way. They meet once a month. Without the deacons, an extra work load is placed on the Elders and Pastor. If you think you are up for it, please see Harry. Please PRAY for God to raise up deacons.

CMT :

We are looking for musicians and singers to go on a roster to sing and play at the 10:45 pm service about every 2 or three weeks . Required to be at the Thursday night practices from 7:30 pm – 8:45 pm.

The Braes Retirement Village Ministry :

Pianist required once a month to play at the Braes Retirement Village on Sunday morning, 11:00am to 11:30am.
