

We have the privilege of sharing Jesus with others.
The enjoyment of declaring.....

The dynamics of His power

He knows all about you
He created you

The generosity in His giving

He is the light and life of the world
He keeps on shining

The persistent in His revelation

He revealed God
who has never been seen

The value of His gift

He is the gift from God
A turning point for us

The focus in His commitment

He is the Lamb of God
Who take way the rubbish that's in us

The devotion in His friendship

He will never leave us
Treats us kindly

We share Jesus because of

the way He acted as a man

God sent His Son into the world not to judge the world, but to save the world through Him.

[John 3:17](#)†t.

the way He lived as God

But when the time was right, God sent His Son, and a woman gave birth to Him. His Son obeyed the Law, so he could set us free from the Law, and we could become God's children

[Galatians 4:4,5](#)cev.

what He did for mankind

Christ Jesus came into the world to save sinners." This saying is true, and it can be trusted. I was the worst sinner of all!

It time now for you to go and share the same message

SHARING Jesus

Sharing Jesus with others

Jesus who was God

became a visible man who made the way to reconnect to the people He had created in His own image, a people valuable and special to Him but who had been separated from God by the rebellious action of the first man. The result of that action messed up our thinking about God. Not realising we were separated we doubted the existence of God and His passion to connect with us.

Left to ourselves we would never have thought of a way to reconnect that would wipe out the past, make the way clear for the future and remove everything that caused the detachment that was stopping us from establishing our relationship with God.

But God thought of a plan that dealt with our isolation, a way for us to receive and feel His love. A plan that would reconnect us to Him and His passion allowing us to love Him, and to love ourselves.

This is the reason we share Jesus with everyone.

Jesus was God's plan to overcome this dilemma and bring about a reconnection. Jesus came not to tell us how bad we were but to set in action and to offer God's plan. A log on point for everyone, so we all could establish our own "face page" with God for ever and enjoy twittering with Him every day.

The plan was Jesus' life for yours. He died to clean off all the stuff that stops us interfacing with God and making a connection that would last forever.

We share Jesus.

We share Jesus

not just as an historical figure...
that would make Him man

We share Jesus

not just as someone who suffered...
that would make Him a victim

We share Jesus

not just as a friend....
that would make Him our equal

We share Jesus

not just as a way into heaven
that would make Him a means to an end

We share Jesus

As God's key. God's only key that opens the way for a relationship with Him. Through the giving of His life the offering of Himself, the surrender of His earthly relationships and the separation from God the father, Jesus opens up the way for a new connection with God for each one of us personally

We share Jesus

because what He did satisfied God who gave Him back His life.

We share Jesus

because His plan has not changed. His offer is open to everyone. He waits for you to take it up.
